2-in-1 Zinc-Alloy Magsafe Wireless Charging Stand

Model No. WI00210

Key Features and Functions

- Baking finish zinc alloy housing with transparent panel on charging area
- Angle of magnetic holder can be adjusted
- Strong N52 magnets inside
- Compatible with iPhone 15/14/13/12 Series, and certified MagSafe Cases
- USB-C input: PD20W
- Output: Magnetic Wireless: 15W Max, Airpods Wireless: 5W
- Qi/CE/FCC/RoHS compliant

All-In-One Magsafe Wireless Wall Charger Power Station

Model No. WP05219

Key Features and Functions

- All-In-One Magsafe Wireless Wall Charger Power Station with Kickstand and 5000mAh Capacity
- Small and light, thickness only 18mm, weight 180g, foldable US standard plug
- Built-in UL approved A grade 5000mAh Li-poly battery cell
- Two input modes: AC100-240V,50/60Hz,0.5A or Type C port PD20W
- Output:Wireless 15W/10W/7.5W/5W, Type-C: PD20W,when charge two devices at the same time,share 5V/3A
- On/off switch, four small LEDs indicate battery volume
- Fireproof PC material plastic housing, size: 108*66.5*18mm
- Qi/ETL/CE/FCC/RoHS compliant

Full Aluminium Super Mini Magsafe Wireless Charging Power Bank

Model No. WP05221

Key Features and Functions

- Full Aluminium Housing Super Mini Magsafe Wireless Charging 5000mAh Power Bank
- Built-in UL approved A grade 5000mAh Li-poly battery cell
- Mini size only 79x60x12mm, holding on IP15/14/13/12 firmly and easily
- USB-C input: DC5V/3A, 9V/2.22A,12V/1.67A (QC3.0 or PD20W)
- Two outputs: Wireless:15W/10W/7.5W/5W, USB-C: PD 20W. When charge 2 devices at the same time, share 5V/3A
- On/off switch, 4 LEDs indicate battery volume
- Qi/CE/FCC/RoHS compliant

Magsafe 15W Wireless Fast Car Charger

•••

Model No. WP00371

Key Features and Functions

- Magsafe Qi 15W Wireless Fast Air Vent Car Charger
- Strong N52H magnets inside, holding the IP12/13/14/15 firmly
- Clamp style air-vent clip with support plate, easy to install and more stable
- Can be rotated freely, also can change the car mount by yourself easily
- High quality anti-skid silicon panel
- Slim design, thickness only 8.2mm
- Type C input: 5V/3A,9V/2.22A,12V1.5A(support QC3.0 or PD 20W)
- Output: 15W/10W/7.5W/5W
- Qi/CE/FCC/RoHS compliant

GaN & PD Mode Fast Charger
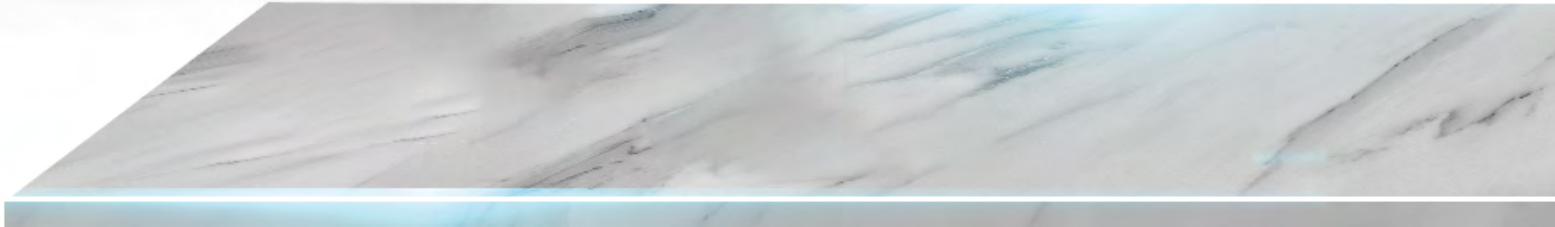

PA03486(US)
PA03489(EU)
PA03490(UK)

- PD3.1 GaN ETL&CE approved **140W** PD mode 4-port wall charger
- Output: when one port work alone, C1: PD140W,C2: PD140W,C3: PD30W,USB-A: QC4.0(30W)
  When work simultaneously,total output: 140W
  C1+C2: PD70W+PD70W, C3+A: 5V/3.6A

  C1+C2+(C3+A): PD65W+PD45W+5V/3.6A(C3&A share)
- US/EU/UK standard AC plug
- Size: 67*63*31mm, net weight 215g

PC00310

- GaN Slim&Mini ETL/CE Approved PD**100W** Universal Laptop AC Adaptor
- Widely used for all Laptops with USB-C charging interface
- Input: AC110-240V, 50/60Hz, detachable power cord, length 1.2M, US/EU/UK plug available
- USB C connector, output 5V/3A,9V/3A,12V/3A,15V/3A,20V/5A
- Extra USB-A port, output QC3.0(18W) to charge other suitable devices
- High shine plastic housing, dimension 114x55x22mm
- Strip blue LED indicator
- ETL/CE/FCC/RoHS compliant

PC00395

- GaN Slim&Mini ETL&CE approved **95W** laptop AC adaptor, adjust output voltage automatically
- Equipped with 9pc charging tips for more than 100 models of Laptop
- Input: AC110-240V, 50/60Hz. Output: DC15-20V, 4.75A max
- Detachable power cord, length 1.2m, US/EU/UK plug available
- Extra USB-A port, output DC5V/2.4A to charge other suitable devices
- High shine plastic housing, dimension 114x55x22mm
- Strip blue LED indicator
- ETL/CE/FCC/RoHS compliant

USB cable

UC28362
- USB Type C to Type C V3.1 High Speed 10Gbps Cable with E-mark Chipset
- Support iPhone 15 series
- Aluminum housing with long SR, bend/flex test exceeds 20,000 times
- Support 10Gbps transmission and 3A current
- Braided cable, OD 4.5mm, 3ft-4ft available
- RoHS/Reach/CP65 compliant

UC28408
- USB Type C to Type C V4.0 High Speed 40Gbps Cable with E-mark Chipset
- Support iPhone 15 series
- Support 40Gbps transmission rate
- Support PD 240W 48V/5A max
- Support video output 8K@60Hz / double 4K@60Hz
- TPE Housing with Braided cable, length 1M
- RoHS/Reach/CP65 compliant

IP08730
- MFI Lightning Female to Type C Male Cable Adaptor for iPhone 15 series
- Support charging 24W max
- Support USB2.0 data transmission, rate 480Mbps
- Support audio transmission
- Plastic high shine housing, braided cable, length 10cm
- RoHS/Reach/CP65 compliant

UC28363
- PD100W Type C 1 to 2 V2.0 Charging and Sync Cable with E-Mark chipset inside
- Support charging 100W max, when 2 ports work at the same time, 65W+30W
- Support USB2.0 data transmission, rate 480Mbps
- Metal banding TPE housing, braided cable, length 1.5M
- RoHS/Reach/CP65 compliant

USB Type C to Type C V2.0 Sync&Charging Cable

Key Features and Functions

- Support 480Mbps data transmission
- Support 3A current
- Compatible with IP15 series
- Can be made into a variety of colors
- RoHS/Reach/CP65 compliant

UC28387
- Integrating TPE housing
- Silicon soft cable, 3ft-6ft available
- Bending test 10,000 times

UC28390
- Integrating TPE housing
- Braided cable, 3ft-10ft available
- Bending test 10,000 times

UC28682
- Aluminum housing with long SR
- Silicon soft cable, 3ft-6ft available
- Bending test 10,000 times

UC28686
- Aluminum housing with long SR
- Braided cable, 3ft-10ft available
- Bending test 20,000 times

# USB A to Type C V2.0 Sync & Charging Cable

SINOHERO www.sinohero.cn

Sinohero Industrial Ltd is an experienced enterprise devoted to the R&D and manufacture of accessories for Smart phones and Tablets, including Wireless charger, USB charger, Holder, USB cable and so on. Our products enjoy a good reputation in North America and Europe market.

Strong R&D ability

By re-investing 30% of our annual revenue in R&D, we develop new items continuously according to the demand of the market. We conduct our R&D in various aspects, including circuit design, industrial design, configuration, material and modeling. We specialize in Power supply and Car accessories.

Quality control

We execute strict inspections from raw materials to final products to make sure all of your requirements are met.

Certifications for Easy Market Entry

Our products carry CE, UL/ETL, FCC, E-Mark and MFI approvals and comply with the RoHS, CP65 and Reach Directives.

Welcome OEM/ODM Orders

We welcome OEM/ODM orders. To benefit from our R&D ability, contact us now.
